

File #22-06

Respondent: Registered Professional Biologist

Complaint Submitted: November 17, 2022

Date of Decision: January 11, 2023

Complaint Summary:

A complaint was submitted against a registrant (respondent) of the College alleging unethical conduct. In particular, the allegations were that the respondent breached the Code of Ethics and Professional Conduct:

- Principle 7: Maintain a standard of personal and professional conduct that does not reflect adversely on the College or its registrants.
- Principle 8: Avoid injuring the reputation of others through malice or negligence.

The complainant alleged the respondent did not conduct themselves in a professional manner while engaged in their role and duties of another organization.

Decision:

The Registrar reviewed detailed submissions from the complainant. The Registrar determined the complaint was outside the College's jurisdiction and dismissed the complaint as per section 9-5(1) of the College Bylaws. This file is now closed.
